Events 2010/11

**Give your business
an unfair advantage**

All seminars are **free**.
Maximum **two** places per organisation.

The Bribery Act:

What you really need to know.
The Bribery Act is a significant new piece of legislation which affects every company in the UK. This seminar will help you understand more about the rules and what you need to do to stay compliant.

8:00 – 9:30 over breakfast, Stockport
Thursday 30th September

HR Update:

Essential information for business owners.
Jane Caven of HURST HR presents an essential HR update for business owners and directors, focusing on what you really need to know and how it impacts your business.

8:00 – 9:30 over breakfast, Stockport
Thursday 7th October

Technical Workout 2010:

A professional update.
This event is specifically designed to help Finance Directors and kindred professionals understand the latest accounting and tax issues and learn best practice. The event combines technical sessions in the morning with an optional workout-themed afternoon.

8:00 – 14:00 over breakfast, Stockport
Thursday 21st October

The Entrepreneur's Story:

A Breakfast with Mark Mills.
This breakfast will be hosted by Mark Mills, founder of Cardpoint plc. Since leaving Cardpoint in 2006, Mark has become a well regarded business speaker, author, and non executive director. Mark is Chairman of Halsall International Toy Company and HURST.

8:00 – 9:30 over breakfast, Stockport
Thursday 11th November

Selling Your Business:

Getting it right.
Is now the right time to sell your business? This seminar will help you plan for a sale, find the right buyer and sell for maximum value

8:00 – 9:30 over breakfast, Stockport
Thursday 25th November

Tax Exemptions for Charities:

Are you compliant?
Registered charities are, on the whole, exempt from paying corporation tax, however, there is a risk that a charity may lose this exemption if it doesn't fulfil certain criteria set out by the HM Revenue & Customs. This seminar will explain how the tax rules work and what charities need to do to ensure they continue to benefit from the favourable tax treatment.

8:00 – 9:30 over breakfast, Stockport
Thursday 2nd December

Growing Your Business:

Using live marketing to deliver sales.
Speaker John Blaskey is an international exhibition consultant with nearly 35 years' industry experience. He is a pioneer of exhibiting effectively, challenging and modifying his clients' exhibition strategy to ensure they gain the most from their investment. In this seminar, John shares best practice tips and ideas.

8:00 – 14:00 over breakfast, Stockport
Thursday 3rd February

Employee Incentivisation:

Making it work for you.
As the tax burden continues to increase for employees and employers, UK businesses will need to get smarter about employee incentivisation and rewards. We will give you tips on how to maximise value for employees whilst minimising cost for employers.

8:00 – 9:30 over breakfast, Stockport
Thursday 10th February

The North West Funding Landscape:

Update, options and advice.
The NW funding market is constantly evolving. This seminar will help you understand the current funding options for business owners, offering expert opinions and advice.

8:00 – 9:30 over breakfast, Manchester
Thursday 10th March

VAT for Financial Services

Organisations:
Minimising the impact.
The treatment of VAT in financial services companies is under a significant amount of scrutiny, particularly given the proposed changes in the retail investments market and a move away from commission income. This seminar will help you understand the rules with regards to VAT on financial services and provide advice as to how to minimise the adverse impact of VAT.

8:00 – 9:30 over breakfast, Stockport
Thursday 31st March

tear along here and detach
